Text of the letter

In accordance with Part 1 of Article 7 of the Federal Law No. 59-FZ of May 2, 2006, On Procedure for Considering Appeals and Addresses from Citizens of the Russian Federation, the appeal must set out the sender's proposal, statement or complaint.

In order to have your message examined in an objective and comprehensive fashion within the set deadlines, you must give the address of the place where the facts, actions or events you describe took place. If it is impossible to determine the substance of your proposal, statement or complaint from the text, no reply will be given and your message will not be forwarded for consideration by a competent government body, local government body or official, of which you will be notified within seven days of the receipt of your message.

The maximum number of characters in the text input box of the proposal, statement or complaint sent as an electronic message is unlimited.

In the text input box of your electronic message:

state your proposal, statement or complaint*:

My humble request to stop the invasion of Ukraine

If you need to provide confirmation of your arguments, you can attach to your message documents and material in electronic form by using the Attach File function. Please note that the attached documents and materials sent this way can serve only as confirmation of the arguments set out in the text of the message.

You can attach the necessary documents and materials in electronic form in any order as two independent file

attachments without archiving (embedded file) using one of the two types of accepted format:

Text (graphic) format: txt, doc, docx, rtf, xls,xlsx, pps, ppt, odt, ods, odp, pub, pdf, jpg, jpeg, bmp, png, tif, gif, pcx;

Audio (video) format: mp3, wma, avi, mp4, mkv, wmv, mov, flv.

The Presidential Executive Office information systems do not process other formats.

Users should ensure they have an internet connection using ADSL, 3G, 4G, Wi-Fi or other technology offering equivalent speed transfer and processing of files of the following size:

- Up to 5 MB — usually without any delay;
- From 5 MB to 10 MB – delays are possible;
- More than 10 MB – transfer or processing might fail.

Letter to Vladimir(April 9, 2022).docx
